Virtual Camp Introduction

Welcome to Virtual Camp 2020!

This is going to be different, but all the fun of camp without the kit inspection and duties!!

We have got a lot of activities lined up for during the week and we hope you will join in with them all and show us your efforts via social media. We have created a special Instagram account (@batsvirtualcamp) to keep up with you all, and of course you can tag our twitter account (@batshgte) and we'll add them to our Facebook page too.

During the week there will be a mixture of things to do. There will be joint Zoom gatherings for morning Rise & Shine and Devotions, the evening Joint Activity, plus Supper and evening Devotions. During the day there will also be other activities to keep you busy. Videos and any instructions will appear on the new Virtual Camp 2020 web page at batshgte.co.uk in the Brigades @ Home pages.

The Activities

During the Week

Camp Concert

As always, Friday is camp concert night. During the week you need to prepare a video of no more than 5 minutes of you doing something fun and entertaining that we can all watch during the evening. We must have these by Thursday lunchtime please so we can get everything together

Camp Breakfast

At some point this week have a proper camp breakfast. As you know, at camp we have cooked breakfasts most mornings with some combination of spam or spam fritters, sausages, bacon, beans, or scrambled egg. Have one and send us a picture of it!

Camp Porridge

At some point this week make proper camp porridge. This must be stiff enough for the spoon to stand up in in the saucepan, and should not drop out the bowl when turned upside down (spreading it about a bit is allowed for some more slippery bowls!) Send us a video of you braving this

Temple Run Challenge

Download Temple Run from Google play or the Apple Store. Play it in your spare time until you get a massive high score. Put as many screenshots of your score on social media before Friday lunchtime and we'll announce the winner at the camp concert.

Guess the Film

This is a quiz you can do during the week – don't worry there is still a quiz on Monday night too! Look at the description of the film plots we've given you and work out which film it is. Send us your answers before Friday lunchtime and we'll announce the winner at the camp concert

Rise and Shine

Just like at camp we will be starting the day off with a short workout to get us in the groove. 10 minutes of exercise to really get the heart pumping and make sure we are awake

Devotions

During the week the staff team will be taking it in turns to chat with us about various topics. In the morning sessions Mark will take us through the theme "SHARE". He will take a brief look at part of the topic and you will be challenged to undertake on random act of kindness during the day

In the evening sessions we will delve a bit deeper into some other topics:

Promises on Monday with Ken

Happiness on Tuesday with Madi

Thankfulness on Wednesday with Dave

Generosity on Thursday with Henry

The Future on Friday with Hanna and Alexie

Suppers

We will have supper together every evening to have our evening devotions slot before generally chatting about anything and everything as normal. Get inventive with your hot chocolates and snacks. Why not sit round a warming fire pit, weather permitting, or have a fire as your backdrop picture on Zoom?
